**Committee of 100 Members*
† Deceased

***Committee of 100 Members**

The Committee of 100 was established in 1995 to address specific needs as identified by the school's leadership. As the first major fundraising inititative of the school, these generous gifts helped to upgrade our facility, establish important clinical programs, renovate classrooms and upgrade teaching technology. More recently, Committee of 100 donations have been used to renovate three student wet labs, a state-of-the-art admissions/surgical dental clinic and an advanced practice clinic to stengthen student education and streamline patient care. We are very grateful to members for their years of support.
