## **Dental Medicaid Compliance and Auditing: Are You Prepared?**

LSU School of Dentistry, Auditorium B, 8:45 am – 12:00 pm, 3 hours of CE awarded

Audits can be a major source of stress to the dental office. Even though poor record keeping is a costly mistake, many dentists are not aware of how to properly document the treatment they provide. This workshop will educate dentists and team members on the do's and don'ts of documenting for Dental Medicaid and improve understanding of Medicaid audits.
