Endowed chairs and professorships require a minimum private investment of \$600,000 & \$60,000 respectively. The state of Louisiana provides a 40% match once the private funds are deposited in the LSU Health Sciences Center Foundation, ultimately creating endowments valued at \$1,000,000 for chairs and \$100,000 for professorships. Super (double or triple professorships) are also available.

All other endowments require a minimum gift of \$10,000.
