

Summer Program is a Team Effort

In July ten students participated in the sixth annual LSUSD Summer Enrichment Program. Designed to prepare minority and disadvantaged students for dental school, the program reviews the application process, the dental aptitude test, and basic courses in the dental school curriculum. Due to funding challenges, the program was shortened this year from six weeks to a one-week intensive course. Nine of the ten participants are from Louisiana.

The program's ultimate goal is to increase the diversity of dental professionals. Developing a dental workforce that mirrors the diversity of the U.S. population increases access to care for the underserved, especially minorities.

Of the 59 students who have participated in the program through 2012, 32 are either enrolled in or have been accepted by a dental school and 22 of these students are attending or have been accepted by LSUSD.

In addition to Drs. Stephanie DiMattia and Stephen Brisco, who directed the program, volunteer faculty members this year were Drs. Gremillion,

Cheramie, Jackson, Lallier, Giacona, Crawford-McKendall, Ballard, Brindis, Miniotis, and Ms. Schiavo. Dr. DiMattia currently serves as chair of the LSUSD Multicultural and Diversity Committee.

Special thanks to Campus Federal Credit Union for its support of the program.

Congratulations

Francis (Frank) G. Martello, DDS, received the Alumnus of the Year award from the Loyola College of Humanities and Natural Sciences. Dr. Martello, a 1979 LSUSD graduate, practices in New Orleans. He is on the dental staff at Touro Infirmary and is part-time clinical professor in the LSUSD Department of Comprehensive Dentistry. As a volunteer dentist and member of the medical advisory committee of United Cerebral Palsy of Greater New Orleans since 1983, Dr. Martello provides

oral care to people with limited access to health care. He received the award, along with five other outstanding Loyola alumni, on Saturday, May 11, at a reception at The Cannery during Loyola alumni weekend. Both Dr. Martello and his wife, Kathy, have worked at LSUSD for over two decades.
