LSU HEALTH SCHOOL OF DENTISTRY | Making Louisiana Smile

As New Orleans celebrates its 300-year history in 2018, the LSU Health School of Dentistry (LSUSD) is celebrating its 50th anniversary. Nearly 6,000 dental professionals have been educated since the school's inception in 1968 and today approximately 80 percent of the dental professionals in Louisiana are graduates of our school. As the only dental school in Louisiana, our mission of education, research, patient care, and service is vital to ensuring that our citizens receive the best oral health care possible.

LSUSD is unique among the 66 dental schools in the United States because it offers degrees in dentistry, dental hygiene, and dental laboratory technology. By educating students in all aspects of dentistry, LSUSD has earned a national reputation for offering an outstanding clinical education and today students, residents, and faculty provide care in ten locations statewide with an average of 100,000 patient visits annually. Each year the school also participates in community outreach events to reach the underserved and impoverished in our state.

LeadershipCircle

The Leadership Circle recognizes individuals, corporations and organizations that contribute a gift of \$1,000+ annually in support of the LSUHSC School of Dentistry. Contributions enhance and strengthen educational programs, student enrichment activities, community outreach, technology upgrades and facility improvements.

Membership is contingent on a minimum gift of \$1,000 annually (Scholar's Circle). Gifts of \$2,500+ are listed at the levels below. For more information about the Leadership Circle, visit "Give to LSUSD" on our homepage (www.lsusd.lsuhs.edu).
