

# Why Give?

Gifts from individuals, corporations, and organizations are vital in helping the school continue its tradition of educating highly skilled dental professionals. Whether you give an outright gift to express your appreciation for the education you received or wish to leave a legacy to benefit future generations, your gift will make a difference.

Since 1968, the LSU Health School of Dentistry has been the only dental school in the state. Today, nearly 80% of the dental health care providers in the state are graduates of LSUSD. Our graduation rate is 98.9%.

# Did You Know?

Many people assume that the dental school gets most of its funding from the State of Louisiana. In fact, less than a third of our budget comes from the state general fund.

We make every effort to generate additional sources of revenue through clinic income, hospital contracts, and private and public grants. Collectively, these revenue sources cover only the most basic operational expenses. That's why your support matters.

When you give, you invest in the future of dentistry in Louisiana and enhance the practice and science of dentistry worldwide. We appreciate the sacrifice and generosity of those who give of their time, talent and financial support to ensure that we continue to educate excellent clinically-trained oral health practitioners to care for our citizens.

*"It makes sense on every level to give back to the profession that has given so much to us."*

## LeadershipCircle

The Leadership Circle recognizes individuals, corporations and organizations that contribute a gift of \$1,000+ annually in support of the LSU Health School of Dentistry. Contributions enhance and strengthen educational programs, student enrichment activities, community outreach, technology upgrades and facility improvements.

Membership is contingent on a minimum gift of \$1,000 annually. If you graduated in the last decade, please refer to the chart below which indicates the Leadership Circle levels for each graduation year. Dental Hygiene and Dental Laboratory Technology graduate leadership levels are half of the amounts listed.

**Dean's Circle**  
**\$10,000 +**

**Professor's Circle**  
**\$5,000 to \$9,999**

**Clinician's Circle**  
**\$2,500 to \$4,999**

**Scholar's Circle**  
**\$1,000 to \$2,499**
